A Good Thing.

German Syrup is the special prescrip-
tion of Dr. A. Boschee, a celebrated Ger-
man Physician, and is acknowledged to
be one of the most fortunate discoveries
in medicine. It quickly cures Coughs,
Colds and all Lung troubles of the sever-
est nature, removing, as it does, the
cause of the affection and leaving the
parts in a strong and healthy condition.
It is not an experimental medicine, but
has stood the test of years, giving satis-
faction in every case, which its rapidly
increasing sale every season confirms.
Two billion bottles sold annually.
Boschee's German Syrup was introduced
in the United States in 1868, and is now
old in every town and village in the
civilized world. Three doses will re-
lieve any ordinary cough. Price, 75c.

burg of pneumonia, aged 78. He was a
veteran of two wars, the Mexican and
Civil. He left no family, his wife and
children having died several years ago.

N. Jackson, Danville, Ill., writes: "My
daughter had a severe attack of la-
grippe and a terrible cold settled on her
lungs. We tried a great many remedies
without giving relief. She tried Foley's
Honey Tar which cured her. She has
never been troubled with a cough since."

Confederate Notes.

It is well the Legislature is to
establish a Confederate home for the
maintenance of infirm and dependent
Confederate soldiers. The proposition
is for the Confederate soldiers who are
in good financial condition to raise the
funds necessary to buy the required
buildings, and out of the State funds
\$125 is to be allowed for each beneficiary.
The Board of Directors is to be com-
posed of sixteen Confederate soldiers,
who are to serve without compensation.
The property when purchased is to be
deeded to the State. The ranks of these
old soldiers are thinning rapidly, and in
a few years not many will be left in
the Home established through the gen-
erosity of the State.

Judge John H. Reagan, the only sur-
viving member of the Confederate Cab-
inet, is ill of pneumonia at his home in
Anderson county, Tex.

Charles Broadway Rouss died in New
York on Tuesday. He had suffered
from heart disease and dropsy. Mr.
Rouss was born in Woodboro, Md., in
1836. He first engaged in business in
Winchester, Va., served in the Confed-
erate army and then came to New York
in 1865. He has been in business in
that city continually from that time.
He erected at his own expense a monu-
ment to dead Confederate soldiers in
Mt. Hope cemetery, founded a
physical laboratory at the University of
Virginia and gave \$100,000 for a con-
federate monument to be located at
Richmond, Va.

Some years ago Mr. Rouss became
blind. He offered \$1,000,000 to anyone
who could restore his sight, but the re-
ward was never successfully claimed.

**Cancer Cured by Blood Balm—All
Skin and Blood Diseases
Cured.**

Mrs. M. L. Adams, Fredonia, Ala.,
took Botanic Blood Balm which effec-
tually cured an eating cancer of the nose
and face. The sores healed up perfect-
ly. Many doctors had given up her
case as hopeless, hundreds of cases of
cancer, eating sores, suppurating swell-
ings, etc., have been cured by Blood
Balm. Among others, Mrs. B. M.
Guernsey, Warrior Stand, Ala. Her
nose and lip were raw as beef, with of-
fensive discharge from the eating sore.
Doctors advised cutting, but it failed.
Blood balm healed the sores, and Mrs.
Guernsey is as well as ever. Botanic
Blood Balm also cures eczema, itching
humors, scabs and scales, bone pains,
ulcers, offensive pimples, blood poison,
carbuncles, scrofula, risings and bumps
on the skin and all blood troubles.
Druggists, \$1 per large bottle. Sample
of Botanic Blood Balm free and prepaid
by writing Blood Balm Co., Atlanta,
Ga. Describe trouble and special
medical advice in sealed letter. It is
certainly worth while investigating
such a remarkable remedy, as Blood
Balm cures the most awful, worst and
most deep-seated blood diseases.

AMUSEMENTS.

The attraction billed for the Grand next
Wednesday night is that standard pro-
duction, "Tennessee's Pardner." It has
for the past three seasons been recognized
by the theatre-going public as one of the
leading dramatic attractions on tour.
"Tennessee's Pardner" emanated from
suggestions furnished by Bret Harte's
popular romance of the same title, and
the playwright has modeled his charac-
ters after some of the most noted of Bret
Harte's creations.

The play is an idyl of Western life, a
natural interpretation of life in the Sand
Hills of Nevada, a romance in which the
comedy and pathos of life intermingled
much as they do in the busy world. Its
every scene and every line is wholesome
and rings true, and the types of charac-
ter lose none of their unconscious humor,
their dignity or their manliness through
being invested with Harte's poetic charm.
It requires a company capable of appre-
ciating the possibilities and beauty of
the various characters, and understanding
the fine shading of true characterization.

The Company interpreting the story of
the play has been especially engaged to
fill the requirement of each character
and no expense has been spared to make
the present company not only the equal
of that seen in this play in former seasons
but one of the most powerful aggrega-
tions of theatrical talent touring in
comedy-drama. The production is under
the management of Phil Hunt by
special arrangement with Arthur C.
Aiston.

There will be no advance in prices.
The advance sale will open at Borland's,
Monday morning at 8 o'clock. Prices:
Dress Circle, 75c; Parquette 50c; Balcony
35c; Gallery 25c.

Coughs

"My wife had a deep-seated cough
for three years. I purchased two
bottles of Ayer's Cherry Pectoral,
large size, and it cured her com-
pletely." J. H. Burge, Macon, Col.

Probably you know of
cough medicines that re-
lieve little coughs, all
coughs, except deep ones!

The medicine that has
been curing the worst of
deep coughs for sixty
years is Ayer's Cherry
Pectoral.

Three sizes: 25c., 50c., \$1. All druggists.

Consult your doctor. If he says take it,
then do as he says. If he tells you not
to take it, then don't take it. He knows.
Leave it with him. We are willing.

WILTON 2:19 1/4.

MAMBRINO PATCHEN, 58.

Patchen Wilton.

(4-year-old trial 2:21 1-2.)

By WILTON 2:19 1/4, sire of 103 with records from 2:06 to 2:30. The Wiltons are not
only trotters and racehorses, but the greatest road horses in the world.

1st dam, Emma Patchen, dam of George W. 2:24 1/4, Lena Wilkes, record 2:29 1/4, trial
2:22 1/4, and Patchen Wilton, trial 2:21 1/4, by Mambrino Patchen 58.
As a producer of dams Mambrino Patchen is without an equal. He sired the
dams of Alcione, Alcantara, Baron Wilkes, Guy Wilkes, Wilkes Boy, Sim-
mons, Ralph Wilkes 2:06 3/4, and over 150 with records in 2:30 and better. Mam-
brino Patchen's sons sired the dams of Crescen, the world's champion trot-
ter, and The Abbot, the champion trotting gelding.
2d dam, Emma, record 2:28, made in 1865, to high wheel sulky weighing 96 lbs.,
dam of Jerry 2:27 1/4.

PATCHEN WILTON is a coal black horse, and for beauty, grace and action he
is without a peer in Kentucky. With the rise of horse shows and road driving
nowadays, the horse with plenty of good looks, action, soundness and speed, is
the one that brings the fancy price. All of these virtues are combined in
him. His sire is one of the greatest sons of George Wilkes, his dam a
great producing daughter of Mambrino Patchen, his second dam a great race
mare in her day and a producer.
Will make the season 1902 in charge of T. W. Titus, at

\$20 to Insure a Living Colt.
